Conference 2026

Partnership Prospectus

**Beyond Dialogue,
Making Deals**

Turning Partnerships into Performance

Reaching An Inflection Point

For more than a decade, IndOz has been the independent cornerstone and the largest annual gathering of the Australia-Indonesia bilateral business networks. In 2025, we convened 600+ leaders from government, business, finance, and academia actively shaping the bilateral economic corridor. IndOz 2026 marks a deliberate shift. As bilateral trade reaches \$34.83 billion in 2025, the opportunity is no longer in identifying alignment, but in executing bankable projects across infrastructure, agrifood, mining, education, and digital systems. Indonesian demand is scaling rapidly, Australian capital and expertise are well positioned, and both governments are signalling execution over rhetoric.

This year's theme, "Beyond Dialogue, Making Deals", reflects IndOz's evolution into a platform where deals are scoped, partners are matched, and capital meets implementation.

IndOz 2026 also introduces the IndOz Leaders, recognising companies and partnerships that have moved beyond intent to delivery, celebrating real transactions, operational excellence, and long-term commitment to the bilateral relationship. With that, we invite you to become a foundational partner to shape the next phase of the Australia-Indonesia partnership.

Founder & Advisor
IndOz Conference

IndOz 2026: Theme and Sub-themes

Indonesia is the largest and one of the fastest-growing economies in Southeast Asia. The Indonesian economy is predicted to be one of the world's top five economies by 2040 with significant investment plans and growing domestic consumption. These factors, combined with political stability, an abundance of natural resources, large workforce, and growing middle class, makes Indonesia a highly attractive partner for Australian business, trade, and investment.

The IndOz Conference program has been designed to provide attendees with an understanding of the Australia-Indonesia relationship at the bilateral and strategic level as well as the industry level, highlighting specific and tangible opportunities.

For this year's theme, the program will be structured across the three sub-themes of Food & Agribusiness, Energy, Mining, and Critical Minerals, and Lightning Speeches. Each sub-theme session will feature industry and government speakers well versed in the Australia-Indonesia market, then culminate in an interactive panel discussion. Sessions will be thoughtfully curated to ensure attendees are given the latest insights, practical tips, and first-hand experiences from those operating in the Indonesia-Australia space. Below is an indication of the topics to be addressed within each sub-theme.

Food & Agribusiness

Topic: Feeding the Future: Strengthening Indonesia-Australia Agribusiness Partnerships

Energy, Mining and Critical Minerals

Topic: Powering the Future; Indonesia-Australia collaborations in Energy, Mining, and Critical Minerals

Lightning Speeches

Topic: Innovation, cross-border collaboration, and investment opportunities between Indonesia and Australia

Introducing The IndOz Leaders 2026

Premiering in 2026, The IndOz Leaders recognised organisations, partnerships, and leaders that have moved beyond intent to execution, delivering measured outcomes across the Australia-Indonesia economic corridor. Recognitions are open to Australian, Indonesian, and joint Australia-Indonesia entities. Self-nominations and third-party nominations are accepted.

General eligibility criteria (all categories) and nominees must:

- Demonstrate active commercial operations or executed transactions involving both Australia and Indonesia
- Show tangible outcomes (financial close, operational delivery, scaled deployment or verified impact)
- Reflect long-term commitment to the bilateral relationship
- Operate in compliance with applicable laws, regulations, and ESG standards in both jurisdictions
- Projects, deals or initiatives must have reached a material milestone between 1 January 2024 and 30 June 2026

Category

Deal of the Year

Recognises the most significant Australia Indonesia transaction

Emerging Champion

Recognises high-growth SMEs driving bilateral engagement

Bilateral Leadership

Recognises an individual who has materially advanced the Australia-Indonesia economic relationship

Testimonials

As we reflect on the transformative power of the IndOz Conference, it's our privilege to share the heartfelt experiences and stories from businesses that directly benefited from this event.

PRIVY IndOz Platinum sponsor

Privy, an Indonesia digital trust solution provider with a strong presence in Indonesia boasting over 57 million verified users, successfully expanded its operations into Australia in 2023.

Privy is proud to return as a Platinum Sponsor for the IndOz Conference. It remains the premier Indonesia-Australia business summit, delivering unparalleled versatility and results. For years, IndOz has been our powerhouse for growth—it's where we secure major deals and connect deeply with our private and government clients.

This is the gold standard that every organisation dreams of. Beyond the networking, the program is relentlessly exciting. From the exquisite food and stunning venues to the thoughtful souvenirs, every detail creates an exhilarating, top-tier experience. IndOz isn't just an event; it's a vital, high-energy bridge for our two nations.

ADARO IndOz Silver Sponsor

Adaro Australia is part of the Adaro Group, one of Indonesia's leading energy and resources companies, with operations reflecting the growing engagement between Indonesia and Australia.

Adaro Australia is very grateful to have been involved in the IndOz Conference for the past several years. IndOz provides a unique platform that serves as a bridge between Indonesia and Australia by not only connecting businesses but also fostering engagement with the governments of both countries. IndOz provides great opportunities for networking, bringing together industry leaders to build strong connections and explore future partnerships.

Each year, IndOz presents interesting and relevant topics that reflect current developments and emerging opportunities and encouraging meaningful discussion and collaboration. Adaro Australia is proud to be part of IndOz and to support its continued events.

The University of Queensland (UQ) IndOz Silver Sponsor

The University of Queensland (UQ) is ranked among the world's top 50 universities and is one of Australia's leading teaching and research institutions.

UQ values its long-standing and multi-faceted partnership with Indonesia, built through collaboration in research, education, and innovation. Initiatives such as the UQ–Universitas Indonesia Collaboration Centre reflect our shared commitment to advancing joint research, academic exchange, and societal impact.

IndOz is a valued part of this connection. The IndOz Conference brings together government, industry, universities, and communities to strengthen Australia–Indonesia collaboration and create meaningful dialogue. For UQ, it is an important platform to deepen relationships with our Indonesian partners and explore how our shared strengths — from public health and environmental sustainability to food, water, and governance — can address critical global challenges.

UQ is proud to have supported the IndOz Conference as a long-term sponsor and look forward to the 2026 event.

Partnership Opportunities

IndOz 2026 seeks to engage with commercial, government, and community partners from both Indonesia and Australia.

Major opportunities are detailed in the following pages with specific deliverables to be negotiated directly with individual sponsors and partners. Pricing is expressed in Australian dollars and excludes GST.

Further opportunities are available and we welcome the opportunity to discuss tailored arrangements to meet your objectives

LOOKING FOR A UNIQUE OPPORTUNITY?

We offer a variety of opportunities designed to accommodate diverse budgets and objectives. However, if you are seeking something distinctive or have a specific idea that aligns with both your unique requirements and the conference's goals, we're eager to customise a sponsorship package tailored to meet your needs.
